

NEW YORK
United States Department of State

Washington, D.C. 20520

JUL 26 1982

Dear Mr. Speaker:

Pursuant to Section 36(c) and (d) of the Arms Export Control Act, I am transmitting, herewith, certification of a proposed license for the export of defense articles or defense services sold commercially under a contract in the amount of \$50,000,000 or more.

The transaction contained in the attached certification involves the export of defense services, technical data and defense articles to Turkey to support the manufacture and assembly of four (4) 737 Airborne Early Warning & Control (AEW&C) Systems with associated spares and support equipment, plus an option for two (2) additional systems for the Government of Turkey.

The United States Government is prepared to license the export of these items having taken into account political, military, economic, human rights and arms control considerations.

More detailed information is contained in the formal certification which, though unclassified, contains business information submitted to the Department of State by the applicant, publication of which could cause competitive harm to the United States firm concerned.

Sincerely,

Paul V. Kelly
Assistant Secretary
Legislative Affairs

Enclosure:

Transmittal No. DTC 204-02

The Honorable

J. Dennis Hastert,

Speaker of the House of Representatives.
